

32nd Annual National VPPPA Conference

For more information, visit www.vpppa.org or call (703) 761-1146.

Enjoying the event are, from left, Lori Dominy and Stephanie Wilder of Hunter, George Shawver of Valero Refining Co., and Gabriel McClanahan and Cody Meyers of Hunter.

Kolby Hibbitts, center, of Gas Clip Technologies welcomes Steve Suggs, left, and Don Hughes of Marathon Petroleum to the company's booth.

Networking at the event are, from left, Minnie Kane of NuStar Energy, Matthew Kitchen of Palo Verde Nuclear Generating Station and Maria Ilomin of Safway.

Visiting at the event are Matthew Lyday, left, of Tinker Air Force Base and Dennis O'Brien of Veolia.

Clint Wolfley, right, of the Board of Certified Safety Professionals (BCSP) meets, from left, Larry Yearsley and Joe DeMers of the U.S. Department of Energy.

Lester Johnson, left, of ExxonMobil is welcomed to RedGuard's booth by Mike Kastens.

Ken Cube, left, and Richard Ballinger, right, of Naval Air Station Whiting Field discuss Bollé Safety's eye protection products with Peggy Kroesch, second from left, and Kim Hosey.

Mark Hertzog, center, of BIC Alliance visits Richard Lippert, left, and Jeff Michel at GlenGuard's booth to see the company's lightweight fabrics that wick away moisture and reduce the risk of worker heat stress.

Certification means MORE than you think.
